Welcome!

Guest Clinicians

Lynn Palm: Lynn Palm is often remembered for her brilliant bridleless exhibition on SUPER HORSE, Rugged Lark. Lynn has spent the last 25 years building a consistent reputation as a competitor and winner of World Championship titles in English and Western disciplines. She has one of the most respected names as a trainer, clinician and author in the horse industry today.

Debbie Banfield: Debbie Banfield has been devoted full time to the sport of Carriage Driving since 1976. Presently, Ms. Banfield has managed, trained horses/ponies and offered carriage-driving lessons at the Gayla Driving Center since 1989. Having traveled extensively, she has attended the World 4-in-hand Championship in Windsor England and served on several committees for the American Driving Society. Ms. Banfield was also a Gold and Silver medal winner in Pleasure Driving at the North American Championships three years consecutive (1998-2000).

Clark Bradley: Clark Bradley has been a professional horse trainer and instructor for more than 35 years. Mr. Bradley's dedication to the industry as a Competitor, Judge or sitting on a Board of Directors exemplifies the true meaning of a dedicated horseman in every sense of the word.

Nicole Carswell: Nicole Carswell is one of the most respected gaited horse trainers and judges in the field. Ms. Carswell has instructed many international gaited horse clinics and judges numerous domestic and international gaited events, particularly those of the Tennessee Walking Horse and especially enjoys working with 4-H Horse & Pony programs throughout the country. A resident of Moorehead, KY, she and her husband, "Smokey" Carswell, a well-respected TWH judge and trainer, own 7th Heaven Farms.

Nyle Henderson: Cowboy Poet - Henderson's poetry is cut and honed from real life experiences embracing the subject matter he knows best; the trials of the modern day rancher, horse trainer and cow hand. Raised and educated in the ways of the range his poetry reinforces and strongly adheres to the moral upright code of the west.

Buster McLaury: Buster McLaury is a four generation cowboy having grown up and worked such esteemed ranches as the 6666 and the Triangle, both of which are known for raising some of the finest horses in the country. Buster believes horsemanship is a journey to enjoy rather than a goal to be reached.

SATURDAY • APRIL 6, 2002
